Lateral Thinking

How it works

This website hosts three services:

- An interactive course on Lateral Thinking led in person by an authorised de Bono trainer.
- The "My Thoughts" program that structures how you apply Lateral Thinking to topics of your choice.
- Some Lateral Thinking Challenges to assess your skill.

A pass key for access can be purchased from our [training partners](#).

If you have the pass key then please press start. You may first be asked to sign up by creating a user name and password. If you don't have a pass key then take a limited [free trial](#) of the Challenges.

If this is a return visit you will be asked to **Log In** with the Email and Password you used to Sign Up, or the browser will remember you, and you will get immediate access to the course.

The image shows a sign-up form for 'deBono Lateral Thinking'. At the top is the deBono logo, which consists of three black dots of varying sizes arranged in a triangular pattern. Below the logo is the text 'deBono' in a bold, sans-serif font. Underneath that is 'Lateral Thinking' in a smaller, regular font. The main heading is 'Sign Up' in a bold, sans-serif font. Below the heading is a link that says 'Already registered? [Log In](#)' in a red font. The form has four input fields, each with a red underline: 'First Name' with a person icon, 'Last Name', 'Email', and 'Password' with an eye icon. Below the password field is a checkbox followed by the text 'I agree to the [terms of use](#) and [privacy policy](#)'. At the bottom is a dark grey button with the text 'Sign up' in white.
