Lateral Thinking

How it works

This website hosts three services:

- An interactive course on Lateral Thinking led in person by an authorised de Bono trainer.
- The "My Thoughts" program that structures how you apply Lateral Thinking to topics of your choice.
- Some Lateral Thinking Challenges to assess your skill.

A pass key for access can be purchased from our [training partners](#).

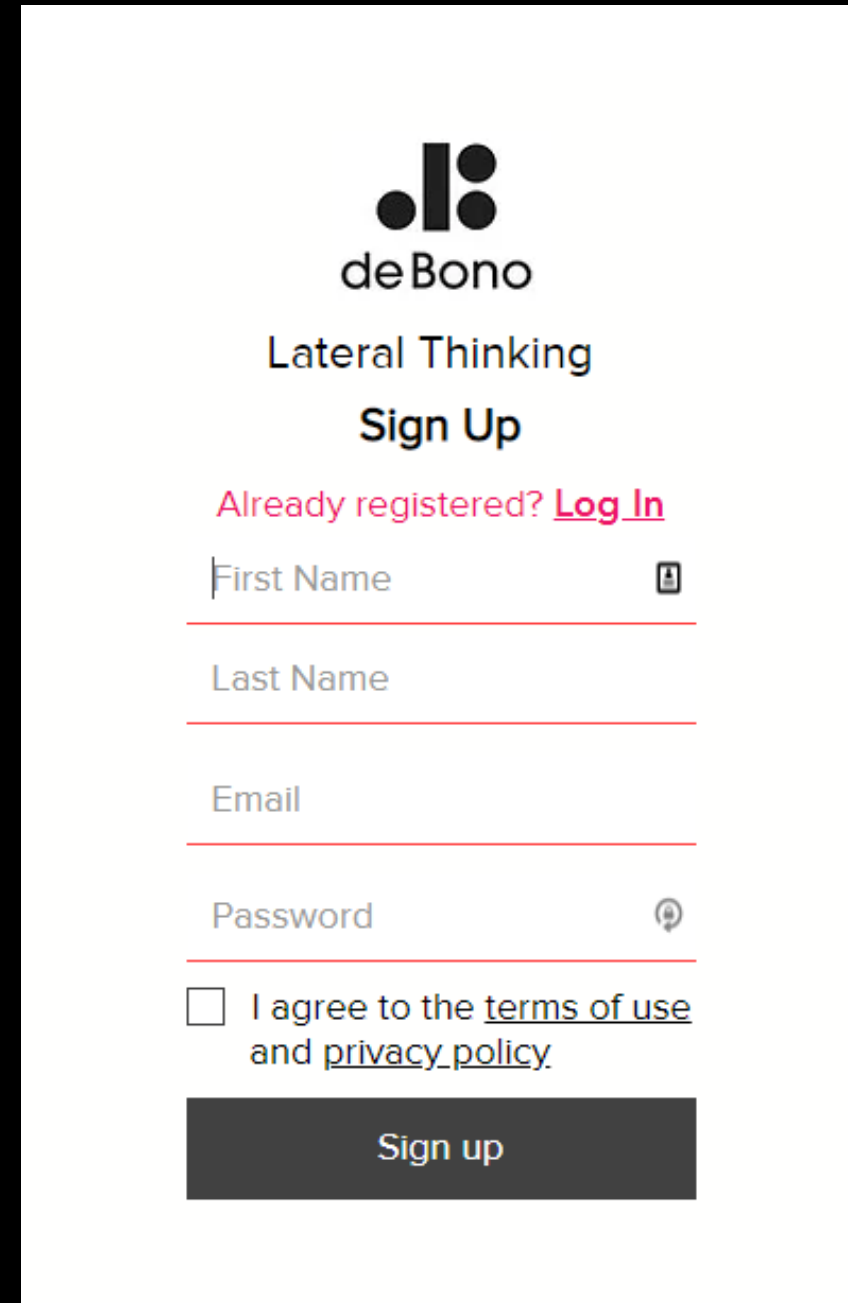

If you have the pass key then please press start. You may first be asked to sign up by creating a user name and password. If you don't have a pass key then take a limited [free trial](#) of the Challenges.

3. If this is your first visit, you will be asked to Sign Up.

Please use a password that is known only to you.

If this is a return visit you will be asked to **Log In** with the Email and Password you used to Sign Up, or the browser will remember you, and you will get immediate access to the course.

The image shows a sign-up form for 'deBono Lateral Thinking'. At the top is the deBono logo, which consists of three black circles of varying sizes arranged in a triangular pattern. Below the logo is the text 'deBono' in a sans-serif font. Underneath that is 'Lateral Thinking' and 'Sign Up' in a larger, bold sans-serif font. A link in red text says 'Already registered? [Log In](#)'. The form has four input fields, each with a red underline: 'First Name' (with a small person icon), 'Last Name', 'Email', and 'Password' (with a small eye icon). Below the fields is a checkbox with the text 'I agree to the [terms of use](#) and [privacy policy](#)'. At the bottom is a dark grey button with the text 'Sign up' in white.

4. Please complete the form.
